SwapOff Guidelines—*Deliver SwapOff Items by 1:00 P.M.*

The **REUSIT** SwapOff is a wonderful, volunteer-run community event.

We ask that you respect the following guidelines:

If you are bringing items for SwapOff:

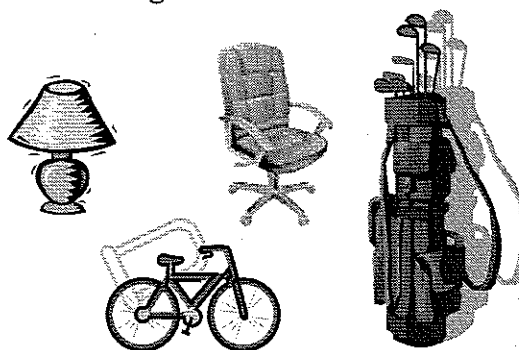

- Please deliver your items by 1:00 P.M.—items will not be accepted after that time. **No Parking. Spaces are for unloading only—you must remain with vehicle while volunteers unload it.**
- Call us at 978-318-3240 after 7:00 A.M. to see if rain cancels the event—if so, please save items for the next SwapOff day or donate to charity.
- Bring only **CLEAN** items in good working order.
- Do not discharge passengers until pulling into an official unloading space.
- You will be asked to provide your name and address when dropping off large items—you will be billed if the items are not taken. You may claim unwanted items before 1:00.

Please do NOT bring the following items to SwapOff—Bring them to the DropOff area for recycling or disposal:

Old and outdated athletic equipment, children's car seats, broken furniture, older computer equipment, non-working or black & white t.v.'s.

If you are taking items from SwapOff:

- **SwapOff is limited to Concord Residents Only until 1:00.** This restriction is necessary to control the number of people who come to this very well-attended event.
- Only volunteers may help unload vehicles
- Please do not stay longer than one hour, and please don't hover by the entrances or the vehicle unloading areas.

Ask about Volunteering—It's lots of fun!
